Thank you for choosing SwiftMobile. This Agreement sets out the terms of your mobile service. By signing, you confirm you have read and accept all the terms below, including the Minimum Contract Period, Early Termination Charges and Renewal terms.

1. Definitions

1.1 In this Agreement: “Service” means the mobile service on the plan shown in the Order Summary; “Activation Date” means the date your SIM card is first activated; “Minimum Contract Period” has the meaning in Clause 3.1; and “we”, “us” and “our” mean SwiftMobile Pte. Ltd.

1.2 Plan names such as “Flexi” or “No-Contract” are marketing names only and do not change the terms of this Agreement.

2. The Service

2.1 We will provide the Service from the Activation Date, using our mobile network in Singapore.

2.2 Your monthly plan includes the local data, talktime and SMS shown in the Order Summary. Unused data, talktime and SMS do not carry forward to the next month.

2.3 Network speed and coverage depend on location, network traffic and your device. We do not guarantee a minimum speed.

3. Contract Period

3.1 This Agreement has a Minimum Contract Period of twenty-four (24) months, starting from the Activation Date.

3.2 You must pay the monthly fee for the full Minimum Contract Period, unless you end this Agreement early under Clause 8 and pay the Early Termination Charge.

3.3 If you change to a different plan during the Minimum Contract Period, a new Minimum Contract Period of twenty-four (24) months will start from the date of the change.

4. Device

4.1 The device in the Order Summary is provided under an instalment plan of S$20 per month for 24 months, charged to your monthly bill. The device belongs to you once all instalments are paid.

4.2 The device comes with the manufacturer’s 12-month warranty. We are not responsible for repairs or replacement of the device.

4.3 If this Agreement ends before all device instalments are paid, all remaining instalments become payable immediately, in addition to any Early Termination Charge.

5. Monthly Charges

5.1 You will pay the monthly fee of S$45.00 (before GST) for the Service, plus the device instalment in Clause 4.1, every month.

5.2 A one-time activation fee of S$48.00 (before GST) will be charged on your first bill.

5.3 The first bill may include a pro-rated charge for the period from the Activation Date to the start of your first full billing cycle.

5.4 We may change the monthly fee or plan inclusions by giving you at least fourteen (14) days' notice by SMS or email. Your continued use of the Service after the change takes effect means you accept the change.

6. Excess Usage and Roaming

6.1 If you use more than your monthly local data, your speed will not be reduced. Instead, you will be charged S$5.00 for every additional 1GB or part of 1GB, without a cap.

6.2 Calls and SMS beyond your plan, calls to overseas numbers, and premium-rate numbers will be charged at our standard rates published on our website.

6.3 Data roaming is switched on by default. Roaming usage is charged at our standard pay-per-use roaming rates unless you buy a roaming pack before you travel.

7. Billing and Payment

7.1 Your bill will be sent by email on the 1st of every month. Payment is due within fourteen (14) days of the bill date.

7.2 You agree to pay by recurring credit card or GIRO deduction. Other payment methods will incur a S$3.00 handling fee per payment.

7.3 If payment is late, a late payment charge of S$10.00 will be added to your next bill for each overdue bill.

7.4 If you have a billing dispute, you must tell us in writing within thirty (30) days of the bill date. After that, the bill will be treated as correct.

8. Early Termination

8.1 If you end this Agreement, or we end it because you breached it, at any time before the end of the Minimum Contract Period, you must pay an Early Termination Charge of S$500.00 (before GST). This amount is fixed and does not reduce based on how many months of the Minimum Contract Period you have already completed.

8.2 The Early Termination Charge is in addition to any unpaid device instalments under Clause 4.3, any unpaid bills, and any other charges owed.

8.3 Porting your number to another provider, or asking us to suspend the Service for more than 60 days, counts as ending this Agreement early.

9. Renewal and Cancellation

9.1 This Agreement does not end automatically at the end of the Minimum Contract Period.

9.2 If you do not want to continue, you must give us written notice of cancellation through the SwiftMobile app or at a SwiftMobile Store within the last seven (7) days before the Minimum Contract Period ends. Notice given at any other time, or by phone, email or social media, will not be accepted.

9.3 If we do not receive a valid notice under Clause 9.2, this Agreement will automatically renew for a further twelve (12) month Minimum Contract Period, and your plan will change to our then-current standard plan, Swift Plus 65, at S$65.00 per month (before GST). Clause 8 will apply to the renewed period.

9.4 We may, but are not required to, send you a reminder before your Minimum Contract Period ends.

10. Suspension and Termination by Us

10.1 We may suspend or end the Service without notice if you do not pay your bill within thirty (30) days of the due date, if you misuse the Service, or if we are required to by law or by a regulator.

10.2 A reconnection fee of S$25.00 (before GST) applies each time the Service is reconnected after a suspension for non-payment.

10.3 If we end the Service under Clause 10.1 during the Minimum Contract Period, Clause 8 will apply.

11. Personal Data

11.1 You consent to us collecting, using and disclosing your personal data to provide the Service, manage your account, collect payment and meet our legal obligations, in accordance with the Personal Data Protection Act 2012.

11.2 You consent to us and our partners sending you marketing messages by SMS, phone and email. You may opt out at any time through the SwiftMobile app.

12. Liability

12.1 We are not liable for any loss caused by network outages, delays, or events outside our reasonable control.

12.2 Our total liability to you under this Agreement in any 12-month period will not exceed the total monthly fees you paid in the three (3) months before the event giving rise to the claim.

12.3 You are responsible for all charges on your account, including charges from use by other people and from a lost or stolen SIM card, until you report the loss to us.

13. General

13.1 We may change these terms by giving you at least fourteen (14) days' notice by SMS or email. Your continued use of the Service after the change takes effect means you accept the change.

13.2 This Agreement, together with our standard terms and price list published on our website, is the entire agreement between you and us.

13.3 This Agreement is governed by the laws of Singapore.
